

**Restoring Hopes, Inspiring Actions, Transforming Lives !!!**

## **CHRISTIAN ACTION FOR RELIEF AND DEVELOPMENT**

### **CARD'S PURPOSE**

1. To provide vulnerable community with relevant developmental skills, tools & economic empowerment to restore services and local social infrastructure aftermaths of affected by disaster to enhance their social livelihoods and become Self-reliance, productive community and become master of their own development programs
2. To response appropriately in emergency humanitarian crisis to the affected population by any natural or man-made disaster and ensure that the people affected have access to the minimum requirements for life with dignity, respect and security, have adequate water, hygiene and sanitation, emergency in education, nutrition, food security and livelihood.
3. To provide wholistic sustainable community's development programs to the community, through integrated of innovative developmental programmes, community & institutions empowerment, and stakeholder's engagement in project implementation, monitoring and evaluation to enhance project ownership and sustainable community development programmes.
4. To collaborate, partnership, networking with other non-governmental organizations for the purpose of coordinating relief with reconstruction, rehabilitation, resettlement and development projects for the common good to reduce duplication of services and eliminate using resources for competitive purposes rather than serving constituencies

and network with other ethical NGOs as a means for promoting the growth, effectiveness and efficiency of the NGO sector and the ability to advance the public good.

5. To proclaim God's Kingdom to the world, through sharing Good news and Love of Christ to the unbeliever to know God and become their personal saviours and provide discipleship programmes and reconcile people to live in peace and harmony.
